**Dental care** Members under age 21 can receive all medically necessary dental services including cleanings, x-rays, fillings, crowns, and other services. Members over age 21 can receive dental services based on their Medical Assistance benefits package and medical need.

**Eye care** Members under age 21 can get eye exams. Members over age 21 can receive eye care services based on their Medical Assistance benefits package and medical need.

**Prescription benefits** Members can receive brand name and generic drugs, certain over the counter drugs and vitamins, insulin supplies, and vaccines based on their Medical Assistance benefits package.

**Other programs**

**Appointment assistance** is offered to members to help them with scheduling and reminders.

**Barriers to care** assists members with transportation or language needs.

**Consumer helpline** offers help and information to members.

**Disease management services** assist members with asthma, diabetes, chronic obstructive pulmonary disease (COPD), coronary artery disease (CAD) and congestive heart failure (CHF).

**Educational mailings** teach members about a variety of health topics.

**Maternity:** ACCESS Plus offers services for low and high risk pregnancies including: help in locating OB/GYN providers; educational materials; assistance with scheduling appointments and transportation; care coordination and follow up with Mom and baby; depression screening during and after pregnancy; counseling, post partum outreach services; post partum family planning/ birth control services, and home health visits as needed. No referral or co-pay is required to visit your OB/GYN provider.

**Nurse advice line** provides help to disease management participants 24 hours a day, 7 days a week.
